## ARROWHEAD ADVENTURES

### *Team Building & More!*

The UCLA Lake Arrowhead Conference Center proudly serves groups from all over the world, with all types of attendees, objectives, and agendas. We've learned that the key to creating and maintaining a successful business, operation, or team lies in strengthening the connections between people. As a result, we've created *Arrowhead Adventures — Team Building & More!* These facilitator-led activities are fun and stimulating for all ages and abilities and promote problem solving, teamwork, and individual commitment.

Each activity is an optional "add-on" to enhance your group's conference experience. Our Conference Coordinators can work with you to design a program specific to the goals of your conference, or you can select from our list of various activities to customize your experience. *Prices vary according to program and group size.*

## TEAM BUILDING ACTIVITIES

### CORPORATE TEAM BUILDING

This facilitator-led challenge course aims to empower a group through physical, mental, and social challenges. These programs include the option to book our high ropes course—an element

course climbed with a safety harness, which includes a Leap of Faith, CatWalk, Rock Climbing Wall, and Giant's Ladder. Truly an empowering and memory-making experience, this program is a very popular event and a great addition to any corporate or school retreat. This Team Building program is available in two different timeframe options:

- Full Day: 9:00 a.m. – 5:00 p.m. with lunch break from 12:00 – 1:00 p.m.
- Half Day: 9:00 a.m. – 12:00 p.m. or 1:00 – 4:00 p.m.

**Minimum of 8 people, must be booked 30 days in advance. \$75 per person plus \$200 flat fee for 1/2 day, \$95 per person plus \$200 flat fee for full day.**

### BRUIN CHEF CHALLENGE

Hosted by our Executive Chef, this is our version of TV's *Iron Chef*. Large groups are divided into smaller teams, provided with their own cooking station and staple ingredients. Groups are challenged to work together to create an entrée that will be judged for its ingenuity, taste, appearance, and application of teamwork. It's a very fun, upbeat way to work together as a team while forming lasting memories.

**Minimum 12 people, maximum 45. This event lasts one hour, fifteen minutes and costs \$70 per person.**

## HIKING

We offer guided tours for hikers of all levels, from an easy family trail to an advanced, rigorous trail.

- **The Beginner Hike** takes groups through a historic Serrano Indian settling area where *metates* (acorn grinding rocks) are visible. Weaving through a picturesque and peaceful meadow, this hike is relaxing and predominantly flat.

**Allow two hours for hike and transportation to and from the trail. Minimum of 8 hikers to book; van transportation is provided for up to 14. \$20 per person.**

- **The Advanced Trail** is a rigorous hike that takes groups up to one of the tallest peaks in the area. This excursion offers a truly stunning view of the valleys and ranges of the surrounding wilderness.

**This challenging hike is 4 miles round-trip and lasts approximately 3 hours (including transportation and dependent upon the speed of the hikers in the group). Transportation for up to 14 is included. \$20 per person.**

## SCAVENGER HUNT

This hunt is a fun way to explore our historic property as your group races against the clock to solve clues and reach the finish. Each clue leads to a new location where teams complete a lively activity or challenge. Be prepared for a goofy and laid back (yet puzzling) time together. **\$550 flat fee.**

## ROOM ESCAPE CHALLENGE

Locked in a room full of mysteries together, your group must work against the clock to solve one puzzle after another — with each success building on the last — until they achieve victory... or until time runs out. The Room Escape Challenge takes a good mix of determination and collaborative thinking to master.

**The maximum number of people per session is 16; minimum is 4. We can run two sessions simultaneously to accommodate a total of 32 participants in separate rooms. This event lasts 60-90 minutes. Flat fees: \$300 for 4 – 7 players; \$550 for 8 – 16 players; \$750 for more than 16 players.**

## KAYAKING

Available seasonally, we have enough kayaks to accommodate 12 guests for a 1.5 hour tour led by our guides.

**Minimum of 4 people, maximum of 12 per tour. \$35 per person.**

## MOUNTAIN BIKING

Biking is a great way to have fun together while exploring the local forest. Choose either the Beginner or Advanced Trail.

- **The Beginner Trail** is relatively flat and weaves out into the forest. This tour provides a good work-out with great sightseeing, but isn't too technically or physically challenging.
- **The Advanced Trail** is for experienced riders who will enjoy a single-track trail through meadows and steep hills (both up and down).

Both trails connect to the property, so no vehicle transportation is required.

**Minimum of 6 people to book a tour, maximum of 17 per tour. Tours last approximately 2-3 hours, dependent upon skill level of riders. Bikes, helmets, and guides are included in the \$35 per person cost.**

## YOGA AND PILATES

A local pilates/yoga instructor will visit the property and host the class in one of our conference rooms or on our relaxing Zen Deck.

**Minimum of 6 people to book. Classes are one hour long. \$100 flat fee plus \$5 per person.**

## RECREATIONAL ROPES COURSE USAGE

While the high ropes course provides teams an adrenaline rush, we also make it available for purely recreational pursuits. Though typically combined with our teambuilding program, the high ropes course is also

an area where people are able to push their perceived limitations, earn a true thrill, and make lasting memories all while being belayed by trained professionals in technically-sound gear.

**Minimum weight of participants is 70 pounds (must be able to fit in our harnesses). \$75 per person plus \$200 flat fee for a three-hour time program.**

## LARGE GROUP/HIGHER BUDGET OPTIONS

If your group has a budget between \$2,500 and \$5,000 or is larger than 60 persons, we highly recommend booking one of the following programs. Each program is a great way for a group to “play” together while experiencing growth as a team. Some of these options are also charity based/community-benefiting programs that give your group an opportunity to help others while enjoying a great time together. Each event is emceed and led by trained facilitators. The following options are available and we would be happy to send you information and pricing for any of these events:

## LARGE GROUP/HIGHER BUDGET OPTIONS (continued)

**UCLA Amazing Race:** A dynamic and high-energy scavenger hunt, groups race around our property completing tasks and solving clues in a race against the clock.

**UCLA Michael-Can-Gelo:** A charity-based event, teams construct sculptures in the shape of famous landmarks using canned goods, which are then donated to charity. Fun and upbeat, this challenge is a meaningful way to get creative and laugh together through friendly competition.

**UCLA Beach Olympics:** A great way to enjoy the outdoors, these mini-Olympic events require that teams work together and use their wits to achieve the title of Champion. Events range from mental to physical challenges, and everyone can participate!

**UCLA Great Team Challenge and Bike Build:** This interactive event challenges groups to best one another in a series of hilarious games in order to win... bicycle parts. Of course, there’s more to this charity-driven activity: Once a team has won all the required parts, they work together to build a children’s bicycle, which will be donated to a local charity. Exciting and fulfilling, this challenge is truly unforgettable!

**UCLA Built for Speed:** Ever made and raced your own box car? Well, now’s the chance! Large groups divide up into smaller teams to construct creative box cars, then put these contraptions to the test on the “track.”

**UCLA Survivor Game Stations:** A comedic and “grueling” series of survival challenges, this dynamic course will have everyone laughing while aspiring to be crowned the ultimate champion.

**UCLA Lights, Camera, Action!** This is a terrific teambuilding program where your group divides up to produce and star in their own commercials about why they think customers choose to work with your company!

**UCLA Game Show Extravaganza:** This event is a high-energy, entertaining, and interactive game show that incorporates scoreboards, music, and sound effects just like a real TV show. Great for an evening social or mid-day breakout, this is an unforgettable teambuilding program!
