ARROWHEAD ADVENTURES
Unforgettable Experiences Await Your Team!

The UCLA Lake Arrowhead Lodge proudly serves groups from all over the world, with all types of attendees, objectives, and agendas. We’ve learned that the key to creating and maintaining a successful business, operation, or team lies in strengthening the connections between people. As a result, we’ve created Arrowhead Adventures — Team Building & More! These facilitator-led fun and stimulating activities are suitable for all ages and abilities and promote problem solving, teamwork, and individual commitment.

Each activity is an optional “add-on” to enhance your group’s conference experience. Our Conference Coordinators work with you to design a program specific to the goals of your conference, or you can select from our list of various activities to customize your experience. Prices vary according to program and group size.

Explore the Great Outdoors

HIKING
We offer guided tours for all levels of hikers, from a family trail to a more rigorous advanced trail.

The Beginner Hike takes groups through a historical Serrano Indian settling area where Metates (acorn grinding rocks) are visible. Weaving through a picturesque and peaceful meadow, this hike is relaxing and predominantly flat. Allow two hours for hike and transportation to and from. Minimum of 8 hikers to book, van transportation is provided for up to 14 if necessary.

The Advanced Trail is a rigorous hike which takes groups up to one of the tallest peaks in the local area where they are afforded a truly stunning view of the valleys and ranges of the San Bernardino National Forest. A fitness challenge, this hike is 4 miles round trip and lasts approximately 3 hours (including transportation and dependent upon the speed of the hikers in the group). Transportation for up to 14 is included.

KAYAKING
Available seasonally, we have enough kayaks to accommodate 12 guests for a 1.5 hour tour led by our guides. Minimum of 4 people, maximum of 12 per tour.

MOUNTAIN BIKING
A great way to have fun together while exploring the local forest. Choose one of two trails:

The Beginner Trail is relatively flat and weaves guests out into the national forest on a tour which, though not technical or very physically challenging, provides a good workout and overall experience.

The Advanced Trail is for riders with experience who will enjoy a single-track trail through meadows and steep hills (both up and down). Both trails leave straight from the property so no vehicle transportation is required.

Minimum of 6 people to book a tour, maximum of 17 per tour. Tours last approximately 2-3 hours, dependent upon skill level of riders. Bikes, helmets, and guides are included.
Mind Over Matter

**PROFESSIONAL TEAM BUILDING PROGRAM**

Tailor-made by our team building facilitators, these activities incorporate cooperation, decision-making and conflict resolution to achieve common objectives in an environment that encourages risk-taking and change.

By combining physical challenges, creative thinking, and problem solving, participants are motivated to use their talents to achieve the greatest results both individually and as a team, reinforcing that trust and communication are keys to success.

*Minimum of 8 people, must be booked 30 days in advance.*

**Note:** This Team Building program is available in two different timeframe options:

**Full Day:** 9:00 a.m.–5:00 p.m. with lunch break from 12:00–1:00 p.m.

**Half Day:** 9:00 a.m.–12:00 p.m. or 1:00–4:00 p.m.

**SCAVENGER HUNT**

This on-property hunt is a great way to laugh together while solving clues and racing against the clock. Each clue leads groups to different locations on our property where, once arrived at, groups respond to team building prompts and trivia questions to move on; a wonderful way to explore our expansive property as a group.

**ESCAPE ROOM CHALLENGE**

Locked in a room full of mysteries together, your group must work against the clock to solve one puzzle after another — with each success building on the last — until the group achieves victory... or until time runs out. The Room Escape Challenge takes a good mix of determination and collaborative thinking to master. *The maximum number of people per session is 16; minimum is 4. We can run two sessions simultaneously to accommodate a total of 32 participants in separate rooms. This event lasts 60–90 minutes.*
Culinary & Art Experiences

**Bruin Chef Challenge**
Hosted by our Executive Chef, this is our version of TV’s *Iron Chef*. Large groups are broken up into smaller teams, set up with their own cooking station and staple ingredients, and challenged to work together to create an entrée which will be judged for its ingenuity, taste, teamwork utilized, and appearance. It is a very fun, upbeat way to work together as a team while forming lasting memories. Minimum 12 people, maximum 45. This event lasts one hour, fifteen minutes.

**String Vignettes**
Similar to traditional string-art, this craft class enables guests to create an intricate design on a wood plaque using nails, hammers, and string. Minimum of 6 people to book. This class lasts one hour, thirty minutes.

**Traditional Art Class**
Following the guidance of a skilled local artist, participants create their own mountain setting on a 16 x 20 inch gallery-wrapped canvas. We provide a scrumptious cheese and fruit platter for this event. This event can be paired with wine, as well, with no corkage fee. All painting supplies and appetizers included in cost. Minimum 8 people, maximum 40 per class. This class lasts two hours.

**Modern Art & Mimosas**
Guests create their own abstract painting on a gallery-wrapped 16 x 20 inch canvas. We provide a bountiful fruit and cheese spread; many groups opt to add champagne or wine, with no corkage fee. Minimum 8 people, maximum 40 per class. This class lasts two hours.

Let’s Get Physical

**Recreational Ropes Course**
This course can be booked as part of the Professional Team Building Program or separately, as an individual-based adventure. The Challenge Course is based on a “challenge-by-choice” philosophy, with all activities being voluntary as participants push their perceived limitations, earn a true thrill, and make lasting memories — all while being belayed by trained professionals in technically-sound gear. Minimum weight of participants is 70 pounds (must be able to fit in our harnesses).

**Yoga**
We bring in a local yoga instructor and host the class on-site in one of our conference rooms or on our Zen Deck. Minimum of 6 people to book. Classes last one hour.
Premium Activities for Large Groups

If your group has a budget between $2,500 and $5,000 or is larger than 60 persons, we highly recommend booking one of the following programs. Each program is a great way for a group to “play” together while experiencing growth as a team.

Some of these options are also charity-based/community-benefiting programs that give your group an opportunity to help others — all while enjoying a great time together. Each event is emcee’d and led by trained facilitators.

The following options are available and we would be happy to send you information and pricing for any of these events:

**UCLA Amazing Race:** A dynamic and high-energy scavenger hunt, groups race around our property completing tasks and solving clues in a race against the clock.

**UCLA Michael-Can-Gelo:** A charity-based event, teams construct sculptures in the shape of famous landmarks using canned goods which are then donated to charity. Fun and upbeat, this challenge is a meaningful way to get creative and laugh together through friendly competition.

**UCLA Beach Olympics:** A great way to be outside, laughing and competing together! This mini-Olympic mock-up has teams working together in a wit-filled way to score
the highest point and achieve the title of Champion. Events range from mental to physical challenges, and everyone can participate!

**UCLA Great Team Challenge and Bike Build:** Another charity-driven event, this interactive challenge has groups playing hilarious games together where the winners earn parts of children’s bicycles. Once a team has won all their bicycle parts, they work together to build to completion a bicycle which will then be donated to a local charity. Exciting and fulfilling, this challenge is truly unforgettable!

**UCLA Built for Speed:** Ever made and raced your own box car? Well, now’s the chance! Large groups divide up into smaller teams which first construct then put their own box car creation to the test.

**UCLA Survivor Game Stations:** A comedic and “grueling” series of survival challenges, this dynamic course will have everyone laughing while aspiring to be crowned the ultimate champion.

**UCLA Lights, Camera, Action!** This is a terrific teambuilding program where your group divides up and gets to create, produce, and star in their own commercials stating why they think your customers choose to come to your company!

**UCLA Game Show Extravaganza:** This event is a high-energy, entertaining, and interactive game show that incorporates scoreboards, music, and sound effects just like a real TV show. Great for an evening social or mid-day breakout, this is an unforgettable team building program!
